- **8 Seconds First page**
- **530 Sheet Input Tray**
- **PostScript 3, PCL5, PCL6**
- **100 Sheet Multi-Purpose Input Tray**
- **2400 dpi Print**
- **700MHz Processor**
- **Double Sided Printing**

The C710 from OKI Printing Solutions is the A4 business printer that provides it all in one package. It is the perfect, super fast printer for more demanding workgroups who need superior quality colour and black and white printing without effort.

Super fast performance, without delay

The C710 is ready to go with minimal set up straight out of the box. So even the most demanding of workgroups can begin to benefit from high speed, high quality outputs (30 pages per minute (ppm) colour and 32 ppm mono).

High definition outputs, on all formats

The C710 comes complete with our free in-box Utility Suite software, enabling users to exploit the full potential of High Definition Colour technology across a range of high impact media.

Dazzling banners up to 1200mm long, posters and professional looking leaflets can all be printed with ease. Duplex capability enables brochures and presentation documents to come to life on every page. Professional looking stationery can now be printed in-house as and when required. Even the most staid of meetings can be enlivened with full colour and made more memorable with vibrant high quality handouts.

Performance and productivity all day every day

Oki's award winning single pass LED technology makes for smoother, trouble free working; high capacity toner cartridges last longer reducing the need for user intervention; and optional 530 sheet paper trays mean it can print on and on without running out.

Key specifications
Emulation(s)
PCL 6(XL3.0), PCL5c, PostScript 3 (clone), SIDM (IBM-PPR, EPSON-FX), PDF Direct Print v1.5
Resolution:
ProQ2400 Multi-level technology, 1200 x 600dpi, 600 x 600dpi Full specifications

Configurations Available
Model:
C710n - Networked; C710dn - Duplex and networked; C710dtn - Duplex, 2nd paper tray and networked; C710cdtn - Cabinet, duplex, 2nd paper tray and networked
Connectivity and Compatibility
Emulation(s)
PCL 6(XL3.0), PCL5c, PostScript 3 (clone), SIDM (IBM-PPR, EPSON-FX), PDF Direct Print v1.5
OS Compatibility
Windows 2000, XP Home, XP Professional, XP Professional x64, Server 2003, Server 2003 for x64, Vista 32-bit, Vista 64-bit. Mac OS X PowerPC 10.2.8 or greater, OS X Intel 10.4.4 or greater including OS X 10.5
Standard interface(s):
Hi-Speed USB, 10/100-TX Ethernet, IEEE 1284 Bi-directional Parallel
Other Specifications
Voltage requirements:
Single phase 220 to 240 VAC
Weight:
C710n: 27.6kg; C710dn: 30.7kg; C710dtn: 36.6kg; C710cdtn: 48.6kg
Noise:
Operating: Up to 59 dB(A), Standby: 37 dB(A), Power Save: Background Level Warranty: Pan European 1 year on-site
Operating conditions:
10°C to 32°C (17°C to 27°C recommended)
Barcodes
Barcode with Checksum support
Dimensions 1:
C710n: 389 x 435 x 536mm;
C710dn: 389 x 435 x 585mm;
C710dtn: 527 x 435 x 585mm;
C710cdtn: 810 x 435 x 585mm
Frequency:
50/60Hz +/-2%
Humidity:
20% to 80% RH (50% to 70% RH recommended)
LCD panel
Yes

Paper Handling
Paper types:
A4, A5, B5, A6 Paper
output

350 sheets face down, 100 sheets face up, 80gsm
Duplex printing:
C710n: Optional;
C710dn, C710dtn, C710cdtn: Standard
Standard paper input:
530 sheets of 80gsm
Envelope types:
Com-9, Com-10, DL, Monarch, C5
Manual feeder:
100 sheets of 80gsm
Custom paper size:
Up to 1200mm length Weight
Tray 1: 64-188gsm;
Tray 2/3: 64-203gsm;
MPT: 64-220gsm;
Auto duplex: 75-120gsm
Performance
Time to first page:
8 seconds mono,
9 seconds colour
Memory(standard):
256MB
Duty cycle (max.pages/month)
100,000 pages/month
Memory(maximum):
768MB
Resolution:
ProQ2400 Multi-level technology, 1200 x 600dpi, 600 x 600dpi
Print speed colour A4: 30ppm
Print speed mono A4: 32ppm
