ES2232a4

Fast, versatile and secure – professional colour printing

Colour is an essential business tool today – adding impact and style to documents. The ES2232a4 produces the professional print quality output needed, whilst keeping colour usage and costs in check, making it a highly affordable print solution from the business printing specialists. Take the next step.

Handles different needs and media

- Handles a wide range of paper sizes (A6–A4, plus banners up to 1.2metres long) in weights from 64gsm up to 203gsm
- Template Manager provides easy to use templates for non-standard media such as business cards, CD labels, address labels and banners

Highest speed. Highest quality

- Fast print speed of up to 22ppm colour and 32ppm mono
- Superior print quality thanks to unique combination of ProQ2400 Multi-level technology and microfine toner
- Enjoy a better level of detail, greater colour depth, reduced grain and a high gloss feel
- Graphic Pro allows downloading of colour profiles to the optional Hard Disk Drive (HDD) for exact colour matching
- Optional Duplex facility for double-sided printing and saving paper

Restrict access. Protect data

- Safeguard confidentiality and prevent unauthorised or excessive usage
- Easy to monitor and control printing costs

- Print Control imposes rules on how the printer is used
- Secure Erase can securely delete all details of a job with the optional Hard Disk Drive

So simple to use. So easy to produce great results

- User friendly print driver with easy to follow instructions
- Toner gauge on LCD panel shows toner status at all times
- Auto Color Balance ensures consistent results throughout the life of the printer

Handles the demands of the busy workgroup

- Solid, dependable, business printer from the business printing specialists
- Award-winning single-pass digital LED printing
- Fewer moving parts means a more reliable machine
- Keeps the work flowing, smoothly handling a diverse range of media

[2] Includes all consumables
* Hard Disk Drive required

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Specification subject to change without notice. All trademarks acknowledged.
